

Eggs-citing fundraising

This Easter, support Alzheimer's Research UK to fund vital world-class research to prevent, treat and cure dementia.

- 1** Organise an egg and spoon race. For even more fun make it a relay or use real eggs.
- 2** Get crafty and hold an egg decorating contest. You can have different categories for decoration types (funniest face, best accessories, most ornate). Pay to enter or ask people to donate their spare change and pick their favourite design.
- 3** Guess how many mini eggs are in the jar. The winner is the person who gets nearest to the right number.
- 4** Host a hop-a-thon. This could be an Easter dance or a sponsored hop.
- 5** Challenge people to a chocolate or hot cross bun eating contest. Contestants get two minutes to see who can eat the most.
- 6** Invite people to guess the name of a large Easter bunny toy, charging a fee to enter. The lucky winner gets the bunny.

Thanks to your help we can make breakthroughs possible.
