

Fun in the sun fundraising

Get into the summer mood with some of these fundraising ideas

- 1** It's Pimms O'Clock - host a garden party for family or friends.
- 2** Celebrate the start of Wimbledon with a strawberries and cream break at work.
- 3** Remember someone special on Father's Day and host a 'words of wisdom' or caption competition. Collect sayings and charge people to guess whose father said which memorable words.
- 4** 21 June is Go Skateboarding Day, a perfect time for a sponsored skate.
- 5** Contact us to enter a challenge event around Summer Solstice when you'll have the most daylight to complete it.
- 6** Make sure you're summer ready by holding a sponsored leg wax. Get as many male colleagues as possible to sacrifice their leg hair for a good cause!

Thanks to your help we can make breakthroughs possible.
