

2019 Wimbledon Charity Sweepstake for Alzheimer's Research UK

Will you get a lucky match?

Try your hand at the Alzheimer's Research UK Wimbledon sweepstake

Rules and Instructions to Play

1. Choose either the men's or ladies' singles tournament for your sweepstake. If lots of people are interested, why not do both?
2. The competition is whittled down to 16 players for the quarter finals. When the players are announced (likely to be around the end of June), fill in their names on pages 2 and 3. You can find a list of competitors at: wimbledon.com/en_GB/players/competitors
3. Cut out the tickets, fold and place into an envelope or a hat.
4. Ask your colleagues, family or friends to draw a player in return for a suggested donation – anything between £1 and £5 is usual.
5. Write down who has picked each player on page 4.
6. The winner of each competition keeps half the money, and the rest goes to Alzheimer's Research UK!
