

Burns Night Fundraising

25 January

Let's get everyone in the fundraising spirit this Burns Night. Here are some ideas you can use around the office...

Burns Night Bake Off

Either hold a bake sale or get competitive and challenge your colleagues to make their best scottish themed treats. Source a prize for the winner!

Mini highland games

Get competitive and hold a mini highland games competition. Pit colleagues against each other after work or at lunch to see who wins!

Wear tartan day

Have a wear tartan to work day. Ask colleagues who take park to donate £1 and colleagues who don't to donate £2. Can you find some purple tartan?

Cook for a cure

Contact us for one of our packs and host a fundraising dinner party to show off your best take in haggis, jeeps and tatties!

Hot toddy or two?

Host a hot toddy or whisky tasting event? Charge those lucky tasters for entry.

Side burn for Burns?

Challenge colleague to grow their side burns throughout January. Ask them to raise sponsorship money and take lots of photos to tweet @AlzResearchUK using hashtag #burns4Burns

Get everyone in the fundraising mood by decorating the office with:

- Flags
- Pictures of famous landmarks
- Tartan bunting
- Rugby or football shirts
- Pictures of Robert Burns

Sweepstakes

Rugby or football fan? Set up a sweepstake where each participant draws a number to represent the score difference. Split the money between the winner and Alzheimer's Research UK.
