### Questions

### Answers

**Q1.** In the Persian sport of Buzkashi, what takes the place of a ball that one team has to keep away from the other?

- A. A flaming barrel                      B. A headless goat carcass  
C. An inflated pig's bladder          D. An embalmed foot

**Q2.** Pesäpallo is the Finnish version of which American sport?

**Q3.** What differentiates the sport of Bossaball that arguably "elevates" it above its close cousin, volleyball?

**Q4.** Which common hobby has more recorded deaths each year than any other sport or pastime?

**Q5.** Before the late 1960s sports mascots were often just drawings of animals and characters, until a world famous TV show and series of films inspired people to put on costumes and bring those mascots to life. Name that TV show.

**Q6.** There have been 29 Summer Olympic Games. How many of these have been hosted outside of Europe? We will accept an answer to within 2 of the correct amount.

**Q7.** In which English county does the famous cheese rolling event take place, where people chase a wheel of cheese down a steep hill?

**Q8.** Which colour is considered unlucky to wear during a rodeo?

**Q9.** Which sport has an estimated 2.5 billion fans and yet is not an Olympic sport?

**Q10.** The most famous competitive eating competition in the world is Nathan's Hot Dog Eating Contest on Coney Island. Joey Chestnut has won the competition 8 times. How many calories, to the nearest thousand, does he consume on average in each competition?

**A1.** A headless goat carcass. Buzkashi is played across Asia and is the national sport of Afghanistan.

**A2.** Baseball. There are a few differences – the bases they have to run round aren't in a circle, but a back-and-forth pattern, and the ball is not thrown at the batter but directly up in the air in front of them.

**A3.** It is played on a giant inflatable trampoline.  
*Clarification: accept trampoline or bouncy castle.*

**A4.** Fishing. According to Sporting Life 360 it has more recorded fatalities every year than even the likes of boxing, horseback riding and base jumping. The majority of which are because of drowning.

**A5.** The Muppets.

**A6.** 13. *Clarification: accept any answer between 11-15.*

**A7.** Gloucestershire.

**A8.** Yellow. Supposedly because of its association with cowardice.

**A9.** Cricket.

**A10.** 21,000 calories. The average adult should eat between 2000-2500 calories.
