Fundraising Round Heads or Tails

Materials list:

- A coin

Scoring

Last standing – 5 points

Setup

1. Invite everyone to participate in this extra fundraising round by donating £1 to your fundraising page
2. Introduce the challenge with the following:
“The aim of the game is to be the last one standing. I’ll toss the coin – if you think it’s going to be heads, put your hands on your head. If you think it’s going to be tails, but your hands on your behind. If you get it right, stay standing – if you get it wrong you’re out and have to sit down!”
3. Then ask everyone to decide heads or tails, flip the coin, announce it and keep going until you only have one person standing! The winner gets 5 points for their team.
