Join in some Pancake Day themed fundraising and help Alzheimer’s Research UK to **fund vital world-class research** to prevent, treat and cure dementia.

1. **Who can flip the highest pancake?** It must land back in the pan to win!

2. **Who can make the tallest pancake stack?** Don’t forget to eat them after.

3. **Who can make the most creative pancake?** Have a panel of judges to decide which design is the best. Think faces, animals, shapes or lettering!

Thank you for helping to make breakthroughs possible.
