Project volunteer - Discord

Alzheimer’s Research UK is the UK’s leading dementia research charity. We believe that medical research can and will deliver life-changing preventions, treatments and one day, a cure for dementia. Activist

Why we want you

Now, more than ever, content creators, influencers and live streamers are discovering creative new ways to support worthy causes. Discord is a platform that these creators use to stay in touch and build community with each other when they are not on our screens. As we expand our content strategy, we believe that growing our own community in the Alzheimer’s Research UK Discord is an opportunity not to be missed and we’re looking for someone with the skills to help us do that.

What you will be doing

• Helping to create a welcoming and inclusive Discord community.
• Engaging with the current Alzheimer’s Research UK Discord community.
• Assigning Roles to new joiners and signposting them to different channels.
• Suggesting fresh ideas for creating growth in the Discord server.
• Adding cultivated posts to the Discord server.
• Connecting with us every two weeks to discuss new and creative engagement ideas.

Where and when

The role will take place remotely and online via the Discord server. The role will be for approx. 4 hours per week, ideally with 30 minutes per day spent on the Discord server. We are flexible as to what time of the day you choose do this. Initially, we are looking for 1 volunteer to join us, starting in May.

The skills you need

• Familiarity with live streaming, online content creating and gaming.
• An understanding of the culture surrounding live streaming.
• Good understanding and use of Discord servers and communities.
• To be reliable and trustworthy.
• To be engaging, Enthusiastic and have a sense of fun.
• A desire to learn more about dementia and our work.

The benefits for you

• Experience in a new, exciting, and developing sphere of fundraising.
• An opportunity to engage directly with our content creators.
• Personal satisfaction in seeing community growth on our platform.
• A dedicated contact at the charity to support and encourage you in your role.
The next step

To apply, please fill in our online application form.
